

Payment & Expectations Agreement

Waiz Media

15 September 2026

Lead Media Buyer · Brazil PJ · Waiz Media

Independent contractor (Brazil PJ) payment and expectations agreement.
Not a CLT employment contract. PJ legal/tax wording should be finalized
by the Company's accountant or lawyer before signature.

Parties

Field	Value
Company	Waiz Media (founder as authorized signatory)
Contractor	_____ ("Contractor"), Brazil PJ
PJ / tax ID	_____
Start date	_____ (defines Month 1 calendar)

1. Engagement

Contractor provides Lead Media Buyer services as described in the attached Statement of Work, invoiced monthly in **Brazilian reais (BRL)**.

Contractor is responsible for their own taxes, contributions, and PJ compliance.

2. Month 1 — Ramp

Component	Amount
Base	R\$4,000 (flat)
Commissions	R\$0

Month 1 focuses on systems access, OS walkthrough, shadowing live accounts, and supervised onboard / funnel / headline reps. End of Month 1: founder check-in. No automatic raise.

3. Month 2+ — Base by level

Level	Base (BRL/month)	Commissions
L1	R\$4,000	None
L2	R\$5,000	Per Commission Appendix
L3	R\$6,000	Same as L2
L4	R\$7,000	Same as L2

Contractor starts Month 2 at **L1** unless founder has already signed an unlock on the Level Checklist.

4. Level raises

Levels unlock by **skills demonstration only** (founder sign-off on the checklist). New base starts the **next full pay month** after sign-off (no retroactive base unless founder writes an exception).

Level	Unlock when Contractor can...
L2	Manage all accounts · onboard a client · create a basic funnel · understand/write headlines · run KPI client reviews
L3	Own creative process: clear analysis + scripts/concepts fully written for production
L4	Produce and edit ads end-to-end

Mentoring other team members is **not** a level gate.

5. Commissions (L2+ only)

- Available only after **L2** (or higher) unlock.
- **R\$100** per eligible account at **CPQL** KPI that month.
- Monthly media-buyer scorecard must be $\geq \mathbf{B}$, or commissions = **R\$0** (base still pays).
- Full rules: Commission Appendix (attached).

- Cash commissions do **not** pay until: L2+ unlock, written CPQL targets on scored accounts, and one **shadow EOM** month approved by founder.

6. Payday

- **Pay day: 9th of every month** (BRL).
- Pays the **prior calendar month** base (level then in force) + approved commissions.
- Example: September work → approve early October → paid **9 October**.
- If the 9th is not a banking day, pay the next banking day (per accountant).
- Contractor prepares the EOM sheet; founder approves; Contractor invoices; Company pays.

7. Changes

Company may adjust rates, floors, grace, or level criteria with **30 days' written notice**, typically at quarterly review. Structure changes should not conflict with work already completed in a closed pay month without written agreement.

8. Attachments (part of this agreement)

1. Statement of Work (SOW)
2. Level Unlock Checklist
3. Commission Appendix
4. EOM Sheet Template (operating tool; provided separately in company OS)

9. Signatures

By signing, both parties agree to the terms in this Payment & Expectations Agreement and its listed attachments.

Attachment A — Statement of Work

Mission

Own assigned client ad accounts to hit written **CPQL** targets, keep buying hygiene tight, communicate clearly with clients and Client Success, and grow into owning creative packages and (at L4) production/editing — inside Waiz Media OS systems.

Core accountabilities (all levels)

1. Buying: structure, budgets, testing cadence, daily/weekly account hygiene
2. Targets: pursue written per-account KPIs; document tests and learnings
3. Fulfillment flags: notify Client Success early when booking/flow metrics slip
4. Client clarity: updates, wins, changes; KPI reviews required from L2+
5. OS compliance: work inside Waiz media-buying SOPs and the Media Buyer Daily OS
6. Scorecard: graded monthly on the media-buyer scorecard

Creative progression

Level	Expectation
L1	Learn creative system; contribute angles/notes; does not own production-ready packages
L2	Manage accounts, onboard a client, basic funnel, headlines, KPI client reviews
L3	Production-ready packages: clear analysis + scripts/concepts fully written
L4	Produce and edit ads end-to-end

Mentoring other media buyers is **not** required to unlock levels.

Attachment C — Commission Appendix

Commissions available only at L2+. Paid KPI is CPQL (cost per qualified lead), not CPL. Phase 1: R\$100 per eligible hit; no book bonus.

When commissions can pay

1. Unlocked at L2 or higher
2. Live commission month (after shadow EOM sign-off)
3. Monthly scorecard $\geq$ B — else commissions = R\$0 (base still pays)

Hit definition

actual CPQL = account ad spend $\div$ qualified leads
HIT = actual $\leq$ written target OR within 10% over (Phase 1 grace ON)

Eligible account

- Assigned to Contractor that month
- Written CPQL target on file
- Ads meaningfully running
- Spend $\geq$ US\$1,000 and qualified leads $\geq$ 10

Payout

commissions = hits $\times$ R\$100
total = base(level) + commissions

Payday: **9th of each month** for the prior calendar month, after founder approval of the EOM sheet and Contractor invoice.
